# HANFANG CHENG (ANNA)

---

RECENT GRADUATE | JUNIOR WEB DEVELOPER

## PROFILE

Have at least 1-year experience in web development. I enjoy coding because I like the lifestyle it brings me. Recently, I have been improving and gaining more knowledge of my **React** and frontend-related libraries, such as **TailwindCSS** and problem-solving skills, for a couple of months. I hope that one day, I can become a professional web developer to create good-quality web/apps and help people solve their problems and needs.
